

Welcome to AgBanking Online!

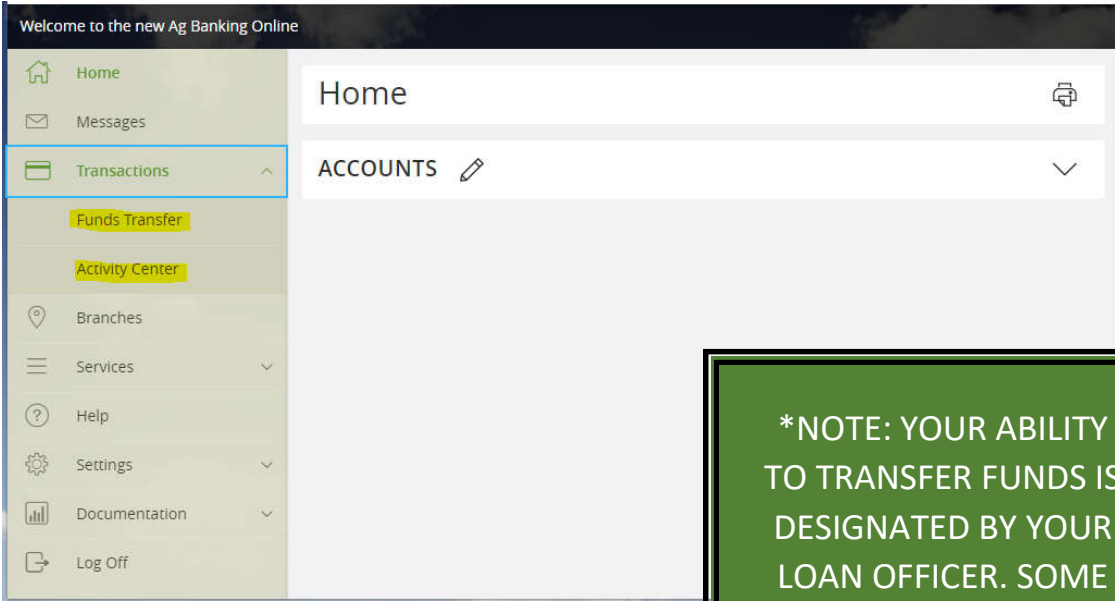

Getting Started:

- ❖ Please visit the AgTexas homepage or www.agtexas.com to login to your account.
- ❖ Login to your AgBanking Online Account for the first time using the following supported browsers: FireFox, Google Chrome, Safari, or Microsoft Edge.
Internet Explorer – IE, is an unsupported browser and may produce connection errors.
- ❖ We also have an app for your phone so you can have access 24/7. You can find it in your app store by searching: **AgTexas Ag Banking.**

Once you have successfully logged on, your home screen will look like below. All Loans/FH/ACP accounts will appear on the Home page.

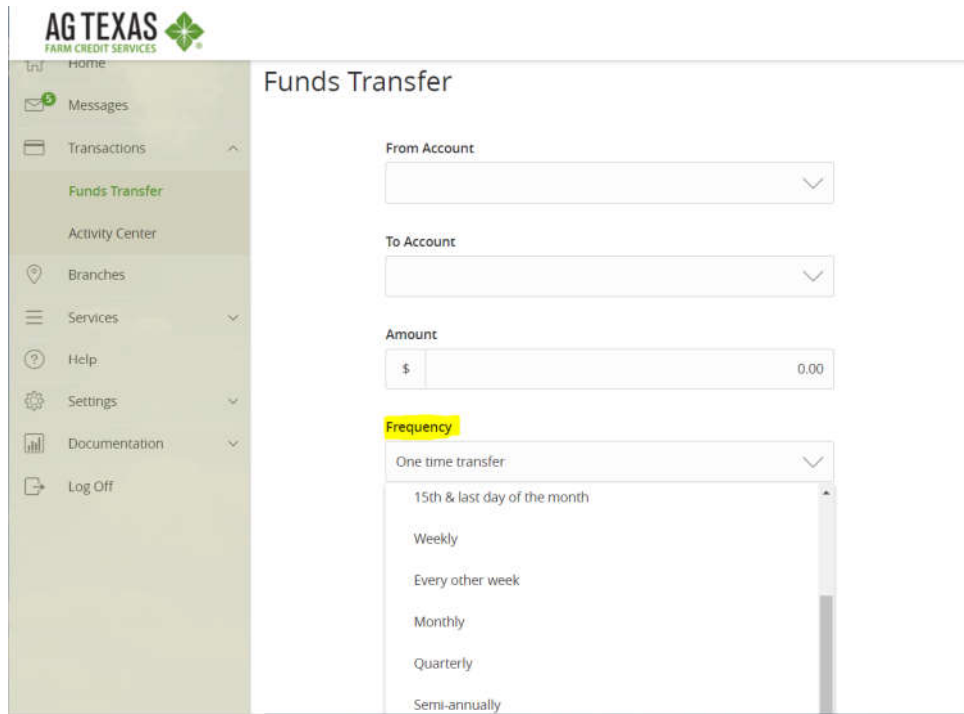

Under Transactions you can make payments/disbursements using Funds Transfer or view your ABOL history using Activity Center.

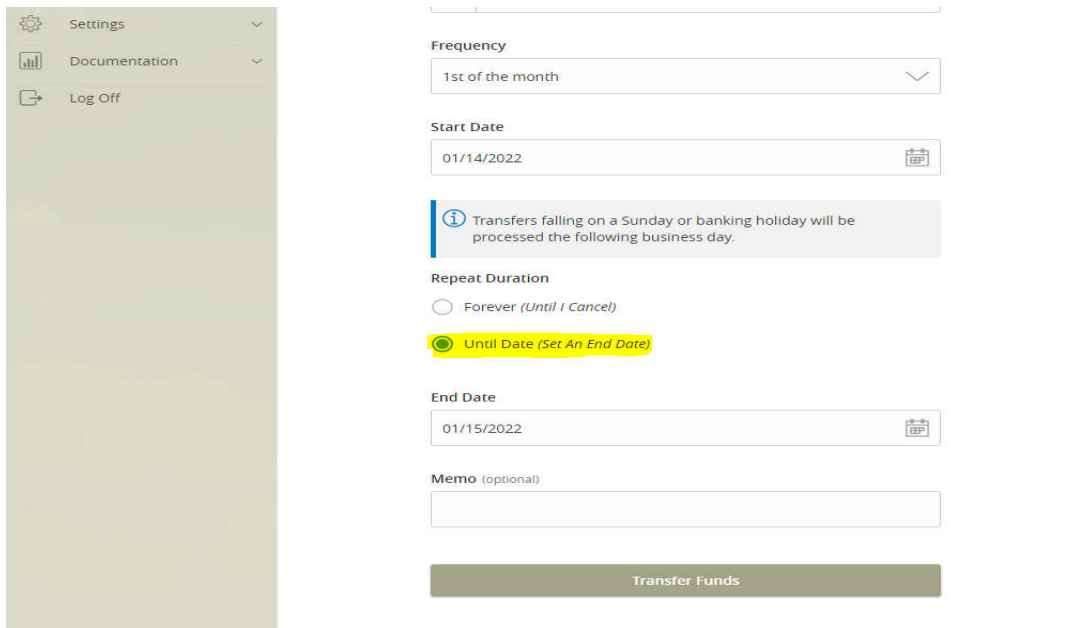

***NOTE: YOUR ABILITY TO TRANSFER FUNDS IS DESIGNATED BY YOUR LOAN OFFICER. SOME PROFILES ARE SET TO VIEW ONLY.**

To create re-occurring transactions, select an option from the Frequency drop-down. These can be set to pay the bill monthly, add additional payments, or both.

We recommend when setting up reoccurring payments, that you select “Until Date” instead of “Forever”.

Customers can also view their E-Statements under the Services tab

***Note: The statement option is based on the Customer not Individual Users; therefore, changes by one user will overwrite the current statement delivery option for all users. ***
